

The participants are presented in alphabetical order of their countries of origin and, within each country, in alphabetical order of their names

## 2024 Final list of participants

### AMBASSADE D'AUTRICHE BUREAU MILITAIRE

Federal Ministry of Defense

*Austria*

### AART ELECTRONICS

Centralization of Defence Procurement

*France*

### ALPHACASTING INC

Alphacasting specializes in the production of innovative and modern castings for the high-tech industry

*Canada*

### AC DISMANTLING

Specialist in environmentally friendly dismantling for private and business aircraft at the end of their lifecycle

*France*

### GASTOPS

Designs, manufactures, and supports advanced equipment health monitoring products to empower you with real time awareness of the condition of your equipment

*Canada*

### ACI GROUPE

Manufacturing of own products, Start-up support, Precision mechanics (machining - sheet metal work - boilermaking - cutting - forging - assembly) MRO-MCO

*France*

### SHOCKFORM AERONAUTIQUE INC.

Specialized in innovative products and peening equipment

*Canada*

### ACS - AERO COMPOSITES SERVICES

Composite Structures Repair

*France*

### DANTHERM A/S

Climate control solutions for field camps and hospitals: mobile heating, cooling and drying for tents and containers.

*Denmark*

### ADAGOS

Startup of Healthcare, Biotech, Chemistry Health Tech

*France*

### 2A EXPERT RH

Specialized temporary and interim employment agencies

*France*

### ADECCO

Specialized temporary and interim employment agencies

*France*

### 2MORO SOLUTIONS (SOPRA STERIA)

Software Edition for Aeronautics and Defense Maintenance

*France*

### ADS

Leading trade organization for businesses in the UK aerospace, defence, security and space sectors

*France*

### 4D CONCEPT PARIS

Scientific and industrial documentation

*France*

### ADVANCED & SMART TECHNOLOGIES (ASTEC)

Specialized in the localization and procurement of active and passive electronic components, integrated circuits, and transistors.

*France*

The participants are presented in alphabetical order of their countries of origin and, within each country, in alphabetical order of their names

## 2024 Final list of participants

### ADVANCED BUSINESS EVENTS

Producers of B2B events and trade shows in the aerospace and defence sectors

France

### AERIADES CLUSTER AÉRONAUTIQUE - SPATIAL - DÉFENSE GRAND EST

Brings together industrial skills, research and training oriented in aerospace and defense. It includes more than thirty companies, technology transfer centers, schools and laboratories

France

### AERIS - AEROSPACE & DEFENSE

Aerospace & defence consulting services

France

### AEROCAMPUS AQUITAINE

Provides initial training, from Bac professionnel (vocational A-levels) to BTS (advanced vocational training certificate), either through educational training or apprenticeship, and continuing vocational training in aircraft maintenance.

France

### AEROCENTRE

Regional Excellence Cluster (REA) is an association founded in 1901 in May 2009, to sustain, develop and structure the aviation industry in the Centre region

France

### AERONEFS SERVICES

Mechanical parts for aerospace

France

### AEROSPACE CLUSTER AUVERGNE-RHÔNE-ALPES

Network of aerospace players in Auvergne-Rhône-Alpes region gathering over 200 members. Its mission is to bring together skills, energies & resources to deliver high-performance solutions to the aerospace market.

France

### AEROSPACE VALLEY

The leading European competitiveness cluster in the aerospace sector serving 3 strategic sectors in Occitanie/Pyrénées-Méditerranée & Nouvelle-Aquitaine regions.

France

### AEROTEC & CONCEPT

Aircraft maintenance (radio and onboard instruments)

France

### AEXTIS

Service provider with qualified people in order to support MRO company to face On Time & On Quality Delivery

France

### AIR & COSMOS

Leading French aerospace publication

France

### AIR FORMATION

Aviation training center

France

### AIRBUS DEFENCE & SPACE

Leading manufacturer. Defence products include A400M - A330MRTT - Eurofighter - C295 and Services - Unmanned Aerial Systems

France

### AIRBUS HELICOPTERS

Leader in civil helicopter or military helicopter transport offering a wide range of utility helicopters

France

### AIRBUS OPERATIONS

Aircraft manufacturer

France

The participants are presented in alphabetical order of their countries of origin and, within each country, in alphabetical order of their names

## 2024 Final list of participants

### ALVEST EQUIPMENT SERVICES (AES)

Full range of services for the ground support equipment (GSE) and the airport environment, using the best combination of robust processes, dedicated software platform

France

### AMETEK SAS

3D laser scanners, laser trackers, CMMs, 3D software, training, 3D scanning services, inspection, design and reverse engineering

France

### AMIRAL TECHNOLOGIES

Pioneer and expert in blind failure prediction, helps manufacturers get the most out of their critical assets by promoting the implementation of a strategy ranging from preventive to predictive and prescriptive maintenance.

France

### ANFEM

French association dedicated to families of the defense community, civil or joint military

France

### APEC (ASSOCIATION POUR L'EMPLOI DES CADRES)

Association for the employment of managers

France

### APLUS SYSTEME AUTOMATION

French leader for system integrator

France

### APRRES INDUSTRIES - GROUPE ENERGIE MÉTAL NIRREP

Expert in Operational Maintenance (MCO) of rolling stock.

France

### AQUITAINE ELECTRONIQUE (AECE GROUP)

AE designs and manufactures electronic equipment and systems and electrical harnesses for the most demanding aeronautic, military/defence, naval

France

### AREZIA - RAFAUT GROUP

Design and manufacture of complex mechanical assemblies

France

### ARMÉE DE L'AIR ET DE L'ESPACE - ÉTAT-MAJOR

French air and space force

France

### ARMÉE DE L'AIR ET DE L'ESPACE - BASE AÉRIENNE 106

French military air base in Bordeaux-Mérignac

France

### ARMÉE DE L'AIR ET DE L'ESPACE - BASE AÉRIENNE 204

Military air base

France

### ARMÉE DE L'AIR ET DE L'ESPACE - CTAEE (CONCEPTION D'OPÉRATIONS D'INFRA)

French air and space force

France

### ARMÉE DE L'AIR ET DE L'ESPACE - ÉCOLE DE L'AIR ET DE L'ESPACE

French Air and Space Force Academy

France

### ARMÉE DE L'AIR ET DE L'ESPACE - SIAÉ

Service for the maintenance and modernization of aircrafts and helicopters for the French armed forces (incl. 5 shops)

France

The participants are presented in alphabetical order of their countries of origin and, within each country, in alphabetical order of their names

## 2024 Final list of participants

### ARMÉE DE L'AIR ET DE L'ESPACE - SIAÉ - AIA BORDEAUX

Service for the maintenance and modernization of aircrafts and helicopters for the French armed forces (incl. 5 shops)  
France

### ARMÉE DE TERRE - ÉTAT MAJOR

French Land Army  
France

### ARMÉE DE TERRE - 11E BRIGADE PARACHUTISTE

One of the combined-arms brigades of the land forces, specializing in engagement through the third dimension (airdrop, air-land insertion, and equipment delivery by air).  
France

### ARMÉE DE TERRE - 9ÈME - RSAM

Maintenance operations and instructions for the Army  
France

### ARMTEK

4.0 work instruction application designed for complex systems. We enhance technical expertise and assist operators in performing the right actions on the first attempt.  
France

### ASMAN TECHNOLOGY

Develops, markets and operates aerial surveillance and photogrammetry solutions adapted to airplanes, helicopters, aerostats and drones.  
France

### ASSOCIATION DE PRÉFIGURATION TARMAQ

Cité des Savoirs Aéronautiques et Spatiaux on the territory of the Operation of Metropolitan Interest "Bordeaux Aeroparc" - This project is aiming at providing the regional Aerospace sector with an internationally visible flagship site  
France

### AUBRY NTV

Specializes in the manufacturing of special metal profiles  
France

### BAAS

Brings together the leaders of major civil and military establishments and representative bodies of the Aeronautics, Space and Defense industries of Nouvelle-Aquitaine, serving the promotion and development of the sector.  
France

### BABCOCK INTERNATIONAL FRANCE

Leader in providing complex and strategic engineering services that support national defense, save lives and protect  
France

### BAGALU

Professional suitcases and custom containers  
France

### BECKER ELECTRONIQUE FRANCE

Specializes in EMS (electronic manufacturing services): electronic board assembly (SMD / through-hole / mixed), prototyping, integration, test benches, wiring, harnesses.  
France

### BELINK SOLUTIONS - GECOE

Design and industrialization of intelligent objects for mobility.  
France

### BODYCOTE

Leading provider of thermal processing services worldwide.  
France

### BORDEAUX MÉTROPOLE

Bordeaux Metropolis  
France

The participants are presented in alphabetical order of their countries of origin and, within each country, in alphabetical order of their names

## 2024 Final list of participants

### BORDEAUX TECHNOWEST

Bordeaux city techno hub supporting innovative start-ups and strategic sectors in the greater Bordeaux area

France

### BRITISH EMBASSY

British embassy to France

France

### BT2I GROUP

Manufacturer of machining, sheet metal components, and complex mechanical assemblies.

France

### CAP MÉTIERS

Regional association for orientation, training and employment

France

### CAPGEMINI

Provides digital transformation, engineering, cybersecurity, and secure data solutions to modernize operations, systems, and logistics for defense organizations.

France

### CEA

Major player in research, serving the state, the economy, and citizens.

France

### CEGELEC DEFENSE

Cegelec Défense operates Six complementary Business Units with a common Defense, Space and Security oriented development strategy.

France

### CGI FRANCE

Among the largest IT and business consulting services firms in the world. help accelerate returns on your investments. Across 21 industries in 400 locations worldwide

France

### CHARLATTE MANUTENTION

Offers a wide range of electric and thermal machines intended for the industrial, airport and military sectors.

France

### CIMPA

Consulting, solutions and support in PLM. CIMPA is the transnational PLM services company of Airbus, EADS group and is involved in the entire industrial world.

France

### C-ITECH SAS

Manufacturing of electrical equipment, hermetic enclosures for the aviation, defense or aerospace industries

France

### CONNECTIV-IT

Digital innovation for the supply chain and operational support activities services de Maintien en Conditions Opérationnelles.

France

### COURBIS SMART POLYMERS

Design, Production, and Marketing of Molds and Technical Plastic Products

France

### CP FRANCE

Range of technical and waterproof cases

France

The participants are presented in alphabetical order of their countries of origin and, within each country, in alphabetical order of their names

## 2024 Final list of participants

### CROUZET

Electrical protection (components & equipment), Cockpit equipment, Detection & sensors // Solid State power controller &SPDU

France

### DEWESOFT FRANCE

Design test and measurement equipment that simplifies the advancement of humanity. Their data acquisition systems are the ultimate tools for test engineers

France

### CS GROUP - FRANCE

Designer, integrator and operator of mission critical systems

France

### DGA - AGENCE INNOVATION DEFENSE (AID)

The Defence Innovation Agency federates the French Ministry of Armed Forces' innovation initiatives by ensuring the coordination and coherence of all innovation initiatives

France

### DAHER AEROSPACE

Aircraft manufacturer ; Aerostructure design and manufacturer ; Composite and metallic design and build

France

### DGA - DIRECTION GÉNÉRALE DE L'ARMEMENT

French Defence Procurement Agency

France

### DASSAULT AVIATION

French aerospace company with proven dual expertise as a manufacturer of both military aircraft and business jets.

France

### DGA - DIVISION RÈGLEMENTATION

French Defence Procurement Agency

France

### DEDIENNE AEROSPACE

World leading manufacturer of Ground Support Equipment: engine stands, tripod jacks, axle jacks, towbars and Maintenance Tooling following OEM licensed drawings or our very own designs.

France

### DGA - ESSAIS DE MISSILES

DGA Propulsion Tests is the European leader for tests in simulated flight conditions

France

### DEGREANE HORIZON

25 Years of experience in Maintenance in operational and safety Condition. Our fields of activity : Defense, Meteorology and Energy Transport

France

### DGA - ESSAIS EN VOL

Development testing, qualification and certification of military and civilian aircraft, weapon systems and aeronautical facilities by real or simulated environment

France

### DERICHEBOURG AERONAUTICS SERVICES

Derichebourg offers a wide range of services covering all stages of the life of the aircraft from production to operation and technical assistance for asset management.

France

### DIAMOUTILS SAS

Development of Super Abrasive Diamond and CBN Tools / CW & HSS Tools - Tool Retrofit

France

The participants are presented in alphabetical order of their countries of origin and, within each country, in alphabetical order of their names

## 2024 Final list of participants

### DOMUSA GROUP

Leader in MRO and OEM for the CIVIL and MILITARY markets, provides global support in the field of on-board equipment to major Aerospace and Defense contractors in Europe, Middle East and Asia.

France

### ECLIPSE

Provides secure military aircraft connectivity, electronic protection systems, less-lethal defense launchers, or specialized aerospace/defense engineering software.

France

### EDEN - EUROPEAN DEFENSE ECONOMIC NETWORK

French network of over 200 SMEs in defense, security, and safety - it helps them collaborate on innovation, represent their interests to institutions, boost export, build joint demonstrators in robotics, cyber, energy, and MCO.

France

### E-TAG RFID SARL

Software development to compliment our e-Tag RFID manufacturing to create a one stop solutions for all businesses.

France

### ÉTAT-MAJOR DES ARMÉES - DIRECTION DE LA MAINTENANCE AÉRONAUTIQUE (DMAÉ)

Joint directorate responsible for the maintenance of flying platforms and ground equipment dedicated to the air operations of the French forces and all French state services equipped with aircraft

France

### ÉTAT-MAJOR DES ARMÉES - ZONE DE DÉFENSE ET DE SÉCURITÉ SUD-OUEST

French joint territorial defense organization is the framework within which the coordination of civil and military means for defense and security issues is organized

France

### EVERING / UNIVERSITÉ DE BORDEAUX

Evering structures and develops the training and innovation offering in the field of engineering and life cycle management of aeronautical systems.

France

### FACTEM

Designs, develops and manufactures electro-acoustic accessories to ensure voice transmission in harsh civil and military environments.

France

### FONDATION DES OEUVRES SOCIALES DE L'AIR (FOSA)

Fundation that provides assistance to the personnel of Air and Space Force, of the General Directorate of Civil Aviation, of Météo-France and their families who are in difficulty following a "life accident".

France

### FORCES AÉRIENNES DE LA GENDARMERIE NATIONALE (FAGN)

French Gendarmerie air force

France

### FRANCE TRAVAIL

French public employment service

France

### G² MECA CONCEPT SARL

Mechanical and automation design & engineering - Precision machining, metalwork, boiler making, mechanical welding assembly

France

### GCA SUPPLY

Offers a complete range of services to industry: flow management, production delegation, industrial packaging, technical packaging, dangerous products packaging, reverse logistics.

France

The participants are presented in alphabetical order of their countries of origin and, within each country, in alphabetical order of their names

## 2024 Final list of participants

### GEFICCA

Injection, compression, and transfer molding, as well as rubber vulcanization on metals, are all processes commonly used in manufacturing.

France

### LES AILES BRISÉES

Non-for profit association providing moral and material assistance to civil and military aircrew, injured in air service and their families.

France

### GIFAS

French aerospace industries association, from major prime contractors and system suppliers to small specialist companies

France

### LGM GROUP

Development of embedded systems; Embedded network engineering; Test bench development.

France

### HENSOLDT FRANCE

Military sensors for protection, surveillance, and situational awareness by Hensoldt

France

### LIEBHERR-AEROSPACE & TRANSPORTATION SAS

Produces air management systems for the international aviation

France

### HYNAERO SAS

Develops the Fregate-F100 program to provide a credible response to the critical growing challenge of wild forest fires.

France

### LOSBERGER DE BOER FRANCE

Products: rapid deployment shelters, hangars, domes, controlled humidity enclosures.

France

### INVISSYS

Augmented perimeter security

France

### MAINTLOG

Specialized in MRO support in the Defense area. We can supply a wide range of spare parts, raw materials and consumables with a focus on Ground mobility and Air Defense.

France

### JEDO TECHNOLOGIES

Waterjet cutting expert, cutting and manufacturing of finished goods made of any materials

France

### MANULOC

Provides a complete range of motorized GSE and Handling Material. Thanks to more than 650 maintenance technicians, Manuloc ensures the operability of more than 20,000 equipments around the French territory.

France

### JJGK AÉRO

Maintenance Repair & Overhaul Center for helicopters

France

### MARINE NATIONALE - ETAT-MAJOR

French Navy

France

### KNDS

Systems designer and integrator for the land forces

France

The participants are presented in alphabetical order of their countries of origin and, within each country, in alphabetical order of their names

## 2024 Final list of participants

### MB ELECTRONIQUE

Avionics protocol analysis & simulation solutions

France

### MBDA

World leader in missile systems offering a comprehensive international product range incorporating today's most advanced innovations.

France

### MECANO ID

Develops mechanical and thermal subsystems for the space sector.

France

### MILTECH INTERNATIONAL

Supply of fasteners for aeronautical maintenance obsolescence management

France

### MINISTÈRE DE L'INTERIEUR

The French Ministry of Interior

France

### MINISTÈRE DES ARMÉES

French Ministry of Defence

France

### MOTHERSON AEROSPACE HOLDING COMPANY

Aerospace subcontracting, education and achievements of mechanical sub-assemblies including sheet metal, sheet metal, piping, mechanical welding, machining, assembly and integration.

France

### MPH MÉCANIQUE

Precision mechanics, assembly

France

### NOVAE SERVICES

Complete integrated offer for production of complex aerostructures, in addition to a service offer in engineering, manufacturing and aircraft MRO.

France

### NSE

Sell, design, develop integrated systems (civil and military), make support services in the areas of defense, aerospace, electronics, information technology, telecommunications and heavy industry.

France

### OBSAM

Specializing in the management of industrial obsolescence for various sectors.

France

### OCETA - AMDP

Technical support, development, distribution & repair service for tooling & interconnect solutions for aerospace, military, railroads and electronics industries

France

### OLED COMM

Worldwide leading supplier of LiFi network interface devices enabling high speed wireless data communication and connected Led lighting network to the server

France

### OPT'ALM

Metal additive manufacturing and repair

France

### OPTIM.AIZE

Development of tailor-made surveillance, inspection and georeferencing products.

France

The participants are presented in alphabetical order of their countries of origin and, within each country, in alphabetical order of their names

## 2024 Final list of participants

### ORBITICA

Provide products (professional GPS terminals, radios, rugged PCs/tablets), services (support, training, configuration), and maintenance / technical support

France

### R&R CONSULTING

R&R Consulting is delivering expertise to secure and accelerate certification of customer organisations and products in Aerospace & Defence industry contexts.

France

### OYONNAIR

Airline specialized in business, medical and cargo transportation

France

### RÉGION NOUVELLE-AQUITAINE

New Aquitaine (Nouvelle Aquitaine) is France's largest region -Its prefecture and largest city is Bordeaux. AD2S is organized under the aegis of the Nouvelle-Aquitaine region.

France

### PANOPTES

Radio frequency identification

France

### REVIMA SOA SAS

Production Maintenance and Repair of turbomachine parts and modules.

France

### PRIMUS CLUSTER DEFENSE & SECURITE

Defense Security Cluster

France

### ROSSI AERO EQUIPEMENTS

Mechanical systems and sub-systems manufacture for commercial aircrafts.

France

### PRODEX

Industrial Logistics

France

### ROXEL

Anaerobic engines for missiles/rockets, Aerobic ramjet engine, Development of internal fitting materials.

France

### PROLANN SRMP

High precision machining parts manufacturer

France

### PROMAN TERTIAIRE INDUSTRIE AÉRONAUTIQUE

Specialized temporary and interim employment agencies

France

### RUBIX FRANCE

French leader in the distribution of industrial supplies and solutions to manufacturers

France

### PROTEC INDUSTRIE

Electrolytic and chemical plating of metals and plastics

France

### SAAB FRANCE

Saab serves the global market with world-leading products, services and solutions from military defence in all domains to civil security

France

The participants are presented in alphabetical order of their countries of origin and, within each country, in alphabetical order of their names

## 2024 Final list of participants

### SABENA TECHNICS

French leading independent provider of maintenance (MRO) and modification solutions for civil & military aircraft operators.

France

### SAFRAN ADDITIVE MANUFACTURING

Center of excellence dedicated to additive manufacturing (metal and polymer 3D printing) for the Safran group

France

### SAFRAN AIRCRAFT ENGINES

Operates in all segments of the civil aviation market by supplying a range of innovative, reliable and environmentally-friendly engines.

France

### SAFRAN ELECTRONICS & DEFENSE

Technology company that develops civil and military solutions for sea, land, air and space applications

France

### SAFRAN HELICOPTER ENGINES

Manufacturer of helicopter engines

France

### SAGE PARTS

World leader in replacement parts for aviation ground support equipment GSE.

France

### SAMARO

Specialist in industrial lubrication and bonding, is the preferred partner of DOW CORNING-MOLYKOTE and PERMABOND. With MOLYKOTE and its own brand SERENYS, SAMARO offers you a complete range of NSF-H1 lubricants, guaranteed

France

### SAVOIE RECTIFICATION

Machining, forming, treatment, grinding, control

France

### SECAMIC

French leader in the export of aviation services provided to aircraft operators worldwide.

France

### SECM

Specialized in the design and production of technical packaging for high added value or sensitive products, for sectors such as the aeronautics, defense, aerospace, robotics or medical industries.

France

### SEGULA TECHNOLOGIES

Leading engineering group offering services, covering the entire lifecycle of civil and military aircraft, from design to maintenance, including engineering, tooling, production and production services.

France

### SEM AEROSPACE

Treatment of obsolescence on small and very small series

France

### SEMIA

World-renowned skills in the field of vibrations in aeronautics and distributes in France and other countries equipment intended for the operation and maintenance of helicopters.

France

### SERMA INGENIERIE

Designs and realises electronic systems.

France

The participants are presented in alphabetical order of their countries of origin and, within each country, in alphabetical order of their names

## 2024 Final list of participants

### SNAP-ON INDUSTRIAL

Leading manufacturer of hand tools, power tools, diagnostics, workshop equipment and tool storage solutions for professionals.

France

### TDM INGÉNIERIE (SERMA GROUP)

Aeronautical embedded innovation - TDM develops standard or customised on-board electronic equipment and provides solutions tailored to your projects.

France

### SONOVISION

A preferred partner providing assistance with design, project management and control.

France

### TEA

Expert in human behavior measurement and analysis

France

### SOPEMEA

Sopemea offers a complete range of engineering and testing services to qualify and test all types of materials and equipment.

France

### TECHMAN-HEAD - TMH-TOOLS

Leading group for Aeronautical Maintenance Engineering, tooling, GSE & MRO

France

### SOPRA STERIA

European leader in consulting, digital services & software development

France

### THALES

Designs, develops and manufactures electrical systems as well as devices and equipment for the aerospace

France

### SPHEREA TEST & SERVICES

Provides production and maintenance test solutions (ATE) in the aviation, defense, space, energy and transportation

France

### THALES DEFENSE MISSION SYSTEMS (DMS)

State-of-the-art systems and equipments for jet fighters, mission aircrafts, helicopters, drones and more

France

### STACEM

Design and development of sealing solutions and rubber compounds. Manufacture, sale and trade of O-rings, moulded, stamped and machined rubber parts

France

### THALES LAND AND AIR SYSTEMS (LAS)

Business unit of Thales Group focused on defense systems for both ground (land) and aerial (air) domains

France

### STAHLWILLE FRANCE SARL

Our aviation tools, storage and transportation solutions allow airlines and their service personnel to maintain aircraft in a highly mobile and fast way

France

### THALES SERVICES NUMÉRIQUES

Design, development and maintenance activities for secure IT systems

France

### THALES SIX GTS FRANCE SAS

Develops secure, resilient information and telecom systems for defense, security, and civil transport markets

France

The participants are presented in alphabetical order of their countries of origin and, within each country, in alphabetical order of their names

## 2024 Final list of participants

### TLD EUROPE

Global leader in Ground Support Equipment

France

### TRACING FLIGHT - IXARYS

Our company develops turnkey, multilingual tracking software specific to the requirements of professionals in the aeronautical industry.

France

### UNIVEIRA

Specializes in the engineering and manufacturing of ergonomic, custom-made tools

France

### VILLE DE MÉRIGNAC

City of Mérignac

France

### VISTORY

Software publisher specializing in 3D printing and blockchain and our solution facilitates equipment maintenance.

France

### VISUAL PLANNING POWERED BY STILOG I.S.T.

Visual Planning is a complete management solution for planning resources, taking into account business constraints, and managing the assignments of your teams in real time and in the field.

France

### WAY4SPACE

Innovation Center whose vocation is to create and transform innovative ideas in the space field

France

### WIN MS

Full range of innovative tools for wiring fast diagnostics, inspection and predictive maintenance for aircraft production and maintenance

France

### ZHENDRE

Air conditioning and refrigeration in extreme conditions

France

### 8TREE GMBH

dentCHECK: 1-Click 3D dent-mapping and SRM-compliant reports. Using AR, the tool instantly displays go/no-go measurement results on the aircraft surface. Implemented in defense by USAF, RAAF, Bundeswehr, Raytheon, L3 Harris, and others.

Germany

### BDSV - BUNDESVERBAND DER DEUTSCHEN SICHERHEITS-UND VERTEIDIGUNGSINDUSTRIE EV

Association Security & Defense

Germany

### ENSINGER GMBH

Specializing in the development, manufacture, and sale of engineering and high-performance thermoplastic polymers

Germany

### EVIDENT EUROPE GMBH

Olympus' spin off for Scientific Solutions since 2023 - Bringing comprehensive remote visual inspection, high speed video, ultrasonic and eddy current nondestructive testing solutions

Germany

### HEILIND ELECTRONICS GMBH

One of the world's leading distributors for interconnect and electromechanical products. Having franchises with more than 150 of the electronics industry's leading manufacturers, we are able to offer you a extensive product portfolio

Germany

The participants are presented in alphabetical order of their countries of origin and, within each country, in alphabetical order of their names

## 2024 Final list of participants

### HYDRO-GERATEBAU GMBH & CO. KG

Ground Support Equipment Airframe & Engine Tooling  
Engine Transportation Service

*Germany*

### METAL POWER ANALYTICAL PRIVATE LIMITED

Leading institution in development and manufacturing of  
Optical Emission Spectrometers

*India*

### KAPPA OPTRONICS GMBH

Over 40 years of experience in developing and  
manufacturing application-specific cameras and vision  
systems in extremely robust and certifiable designs for  
harsh environments

*Germany*

### INTERNATIONAL AEROSPACE COATINGS LTD

YOUR TRUSTED GLOBAL PARTNER. IAC is the global  
leader in aircraft painting and aviation services With 10  
state-of-the-art facilities across the USA and Europe

*Ireland*

### MAGAZINE EUROPEAN SECURITY & DEFENCE

International publication specializing in defence and security

*Germany*

### A.L.A. SPA

Stocking Distributor & Supply Chain Solutions Provider

*Italy*

### MITTLER REPORT VERLAG GMBH

Publishes specialist periodicals and brochures in German  
and English as well as newsletters, studies and essays on  
defence and security

*Germany*

### ARGO DI T.M. FUMAGALLI SRL

Production of technical articles in rubber in high quality  
technical rubber components, o-rings and die-cut gaskets.

*Italy*

### PANASONIC CONNECT EUROPE

Panasonic Connect TOUGHBOOK manufactures and  
markets rugged laptops and tablets designed for harsh  
environments and extreme usage conditions.

*Germany*

### GRAMMELOT SRL

ICT, research and development, provision of SAAS  
services, design and development of interactive training  
services, remote rehabilitation, serious gaming, simulation.

*Italy*

### ZARGES

Packaging materials, packaging means, packaging aids

*Germany*

### IRCA SPA - ZOPPAS INDUSTRIES ITALY

Zoppas Industries Heating Element Technologies boast an  
experience of over 50 years in design and production of  
heating elements and systems, even completed with  
thermal controls for domestic and industrial applications.

*Italy*

### HELLENIC MINISTRY OF DEFENCE

R&D Projects Managements Department of the Hellenic  
Ministry of Defence

*Greece*

### L.M.A. AEROSPACE TECHNOLOGY

Mechanical machining for the aerospace industry

*Italy*

### EMBASSY OF INDIA IN PARIS

Embassy of India (Defence Attaché)

*India*

The participants are presented in alphabetical order of their countries of origin and, within each country, in alphabetical order of their names

## 2024 Final list of participants

### LINCOTEK RUBBIANO SPA

Thermal spray coating and post coating activities (HVOF, APS, CVD, LVPS) and post coating activities (laser drilling, brazing and welding)

Italy

### BARNES AEROSPACE TECHNOLOGIES

Operating from two (2) sites in Poland, is a specialist provider of high-performance treatments and coatings for aero-engine components.

Poland

### MARVINACUSTICA SRL

Design and manufacture of products for the acoustic insulation.

Italy

### VIMETCO TRADING SRL

Wholesale of aluminum products. vimetcoextrusion.ro +1

Romania

### MERLETTI AEROSPACE SRL

Construction and workmanship of complex component for the whole aeronautical industries - Assembly of assy equipment - Special parts and assembly for hydraulic and pneumatic cylinders

Italy

### EMBASSY OF THE SLOVAK REPUBLIC IN PARIS

Embassy of the Slovak Republic in Paris

Slovakia

### TECHNICAL UNIVERSITY OF KOSICE (TUKE)

Education, R&D, Prototypage et innovation

Slovakia

### MALAYSIAN INVESTMENT DEVELOPMENT AUTHORITY (MIDA) PARIS

The government's principal agency for the promotion of the manufacturing and services sectors in Malaysia.

Malaysia

### AIRBUS DEFENCE AND SPACE S.A.U. - MAS

Leading manufacturer. Defence products include A400M - A330MRTT - Eurofighter - C295 and Services - Unmanned Aerial Systems

Spain

### MATRADE (FRANCE) - MALAYSIA EXTERNAL TRADE DEVELOPMENT CORPORATION

Organising export promotion activities for Malaysian companies.

Malaysia

### EINSA

Leader in parametric and functional definition, development and manufacture of the most advanced ground support systems and equipment for military and civil aviation.

Spain

### AEROSPACE MOROCCAN CLUSTER

Moroccan Aerospace Cluster

Morocco

### MINISTERIO DE DEFENSA - EJERCITO DEL AIRE

Spanish Air Force

Spain

### GIMAS

Industrial Aerospace Moroccans Group

Morocco

### SAAB GROUP

Saab serves the global market with world-leading products, services and solutions from military defence in all domains to civil security

Sweden

The participants are presented in alphabetical order of their countries of origin and, within each country, in alphabetical order of their names

## 2024 Final list of participants

### AEROSPEC

AeroSpec's patented and automated Aerosol InfraRed (AIR) Monitor can identify and quantify the aerosol pollution as well as analyze its chemical composition and source signatures.

*Switzerland*

### GENTEX CORPORATION

Personal Protection and Situational Awareness Solutions

*USA*

### A2 GLOBAL ELECTRONICS SOLUTIONS

Global Sourcing (Semiconductors) / Obsolescence Management / Component Authentication / Electrical Testing Services / Value-Added Services

*The Netherlands*

### JSC FED

Design and development of fuel control units, integral drive generators and fly controls systems for helicopters and aircrafts.

*Ukraine*

### FLITETEC SAS

Specializing in the approved repair, manufacture and distribution of spares for all types of aircraft interior products.

*United Kingdom*

### INDEPENDENT FORGINGS & ALLOYS LTD

We want to be the supplier of choice for high integrity forged products to worldwide premium quality markets.

*United Kingdom*

### ROLLS-ROYCE PLC

Develop components for cleaner, quieter, more-efficient jet engines

*United Kingdom*

### DEPLOYED LOGIX - DLX

Rapid shelter systems

*USA*
